## SUMMARY

Final-year Computer Science student, skilled in creating responsive, and user-friendly web applications using modern technologies.

## SKILLS

C | C++ | JavaScript | HTML | CSS | Bootstrap | React.js | Git | GitHub | Microsoft Visual Studio Code | Data Structures and Algorithms | OOP | SQL | DBMS

## Work Experience

- **Web Development Intern at MotionCut** **August 2024 - September 2024**
  - **Developed** and **optimized** full-stack web applications using HTML, CSS, JavaScript, and React.js improving system performance by 30%.
- **Contributor at GirlScript Summer of Code** **May 2024 - August 2024**
  - Contributed to open source projects and resolved bugs, enhancing problem-solving skills and contributing to collaborative development efforts.

## PROJECTS

- **Notes Application:**
  - Developed a React-based note-taking app with dynamic state management, utilizing Styled Components for modular styling and responsive UI.
  - Implemented features for adding, viewing, and managing notes with an empty state display.
- **Product Store with Postgres & React:**
  - Developed a full-stack product store using React.js for the front end and PostgreSQL for the database.
  - Implemented CRUD operations, user authentication, and a responsive UI, improving product management efficiency.

## EXTRA-CURRICULAR ACTIVITIES

- Completed online courses in C++, Python, algorithms, and web development.
- Improved problem-solving abilities by 30% through coding challenges on LeetCode and Coding Ninjas.
- Enhanced coding efficiency by 40% with the #100DaysOfCode challenge on Twitter.

## ACHIEVEMENTS

- **State Level Skill India 2024:** Qualified for Skill India in Web Technologies, demonstrating proficiency in web development.
- **KAVACH 2023:** Selected for the grand finale of the national-level cybersecurity hackathon KAVACH from among 3,900 participants, showcasing advanced problem-solving skills and expertise in cybersecurity.

## EDUCATION

### Dronacharya Group of Institutions

Bachelor of Technology

2021-2025

Computer Science and Information Technology

### Ryan International School

Higher Secondary(12th)

2021

Secondary(10th)

2019
